GRAND BUDAPEST COLLECTION

La nuova collezione Autunno-Inverno di ASILE è un omaggio all'estetica raffinata di **Grand Budapest Hotel** e alla Vienna dei primi del '900, reinterpretati per vestire una donna che celebra la sua unicità.

Stampe ricercate e pattern esclusivi si intrecciano con capi a tinta unita, creando un total look completo e coordinato, capace di accompagnare ogni momento della giornata con stile e praticità.

Un mix di raffinatezza e funzionalità

La collezione è pensata per una donna che ama l'eleganza d'altri tempi, ma vive con lo sguardo rivolto al futuro. I tessuti scelti – viscosa, raso di viscosa, georgette e ciniglia – donano comfort e leggerezza, modellando silhouette armoniose.

La maglieria, cuore della linea, esalta la bellezza dei capi con filati pregiati come mohair, cashmere e lana, arricchiti da dettagli jacquard che aggiungono calore e carattere.

Asile's New Autumn-Winter Collection: Timeless Elegance and Versatility.

A tribute to the refined aesthetics of Grand Budapest Hotel and early 20th-century Vienna, reinterpreted to dress a woman who celebrates her uniqueness.

Sophisticated prints and exclusive patterns intertwine with solid-colored garments, creating a complete and coordinated total look, capable of accompanying every moment of the day with style and practicality.

A mix of refinement and functionality

The collection is designed for a woman who loves the elegance of times past but lives with her eyes set on the future. The chosen fabrics—viscose, viscose satin, georgette, and chenille—offer comfort and lightness, shaping harmonious silhouettes. The knitwear, the heart of the line, enhances the beauty of the garments with fine yarns such as mohair, cashmere, and wool, enriched by jacquard details that add warmth and character.
